

The coronavirus year  
when I was 7 year old

By Emily 2020.8  
2020

The corona year.

When I was 7 years old,

it was 2020,

I was nearly 8 years old

I had to stay at home

My sister play with me,

but I do home work so slow

I couldn't do fast er,

That made me sleep so late
