

JESSICA'S <sup>lockdown</sup> Poem.  
JESSICA  
In I K H.

Hello it's very  
Sad because

COVID-19 was  
Destroying our nice  
Time here in Hongkong  
And making cases  
And making HSBC  
Work more and making  
Protesters and making  
More and protest more  
Until COVID-19 stops

I really wish that  
COVID-19 could die and  
Never ever come to  
Earth any more until  
It is good and show  
Kindness and use it's  
Manners and make  
It never talk  
Back
